

# BSM-AC001,BSM-AC002

Designed for continuous operation with stable air output.

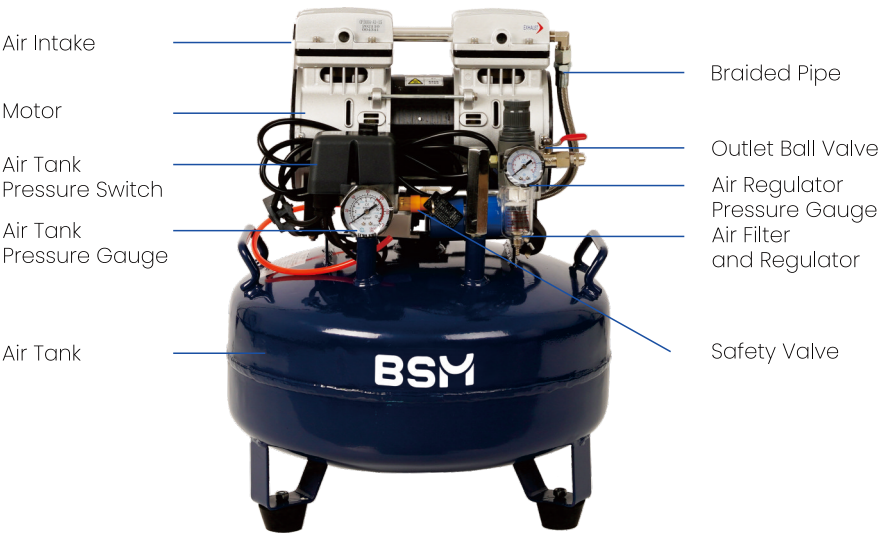

## Product Introduction

Engineered for environments that demand oil-free air solutions, our oil-free air compressor delivers ultra-clean, precise airflow to protect sensitive equipment and processes. It's the trusted choice for industries where purity isn't optional—dental, medical, laboratory, food & beverage, and environmental protection.

## Key Feature

- Clean Air – Anti-rust, anti-microbial inner tank ensures hygienic, oil-free air.
- Low Noise – Silent cabinet option reduces noise to just 50 dB(A).
- Long Lifespan – Designed for continuous operation with stable air output.
