

BSM Global Dental Master Cup 2023

(BSM GDMC 2023)

BSM GDMC 2023

- *Worldwide case competition for dental technicians and labs**
- *International showcasing&publication of excellent cases&studies**
- *Global professional platform for academic interactions & exchanges**

Besmile (hereafter abbreviated as “BSM”) has been organizing case competitions for ambitious dental technicians and dentists since 2018 to discover the dental masters of the restorative dentistry and encourage the fresh dental technicians and dentists to bring better cases into the field of dentistry.

BSM GDMC 2023 is a global case competition activity organized by BSM on the occasion of the BSM 10th Anniversary, with the objective to build a global professional platform for dental technicians and labs from all over the world to display the latest dental restorative science & technology, to showcase the excellent cases & studies, to learn and study the state-of-the-art dental techniques & tips, and to promote academic exchanges & interactions. It is also expected to contribute to the technological innovations & development of the restorative dentistry.

BSM GDMC 2023 Rules:

***All dental technicians&labs from the whole world are eligible to participate in the competition.**

*Participant registration and case presentation shall be submitted preferably in English language, and in the standard template provided by BSM, to the designated channel by BSM within the deadline.

*BSM receives the copyright of the case study, as soon as the case is sent in for participation.

*Due to data protection reasons, the participant shall guarantee that patients' information within the case presentation are consented by the patients. "Patient Consent Form" (separate document) will be provided by BSM for the participants and could be remained with the participants.

Case Requirements:

***Cases Types: Original restorative cases/ implant upper structure restoration cases**

Recommended case types: anterior aesthetic multi-unit restorations [6 units and above], bridges [4-unit bridge and above], full arch restorations, and veneers. (Notes: Difficulty level of the cases accounts for a coefficient score of 10% in the scoring criteria.)

*Cases must be submitted in English language through a standardized power point template (slide ratio 16:9) provided by BSM, to the designated channel by BSM within the deadline.

*The submitted power point shall be indicated as "Country+City+Company Name+Participant Name+Contact Email".

* Cases must be photograph documented and accompanied by texts of the CAD Design, CAM/Printing, Coloring(Optional), Sintering, Porcelain Build-up(Optional), Staining(Optional), Glazing, finishing(finishing results on models), and the final restorative results before &after in the patients' mouths. And the title of the presented case and participant' information shall be included.

*Case pictures shall be in JPG format with high resolution, 300 dpi and the image size not less than 1 megabyte.

*Only one modification is allowed after case submission. And the modification shall be within the submission deadline.

Materials Used:

***Aconia White, Pre-shade, 3D Multilayer Series of Zirconia Blanks shall be used to fabricate the cases.**

* If materials are needed for case fabrication, Please contact BSM Sales Managers in the attachment 1 to get to know the material pick-up channels & rules.

***Designated Channel for Registration &Case Submission**

*Participant registration and case presentation shall be submitted via the following two channels within Mar. 31st 24:00pm,2024 (UTC+8):

- 1) Submitted to the designated email address: marketing@cdbesmile.com
- 2) Submitted to BSM Sales Managers in the attachment 1

Notes: The participant could send the case presentation via WeTransfer /DropMeFiles /other transferring platforms, and submit the downloading link for case presentation within the deadline if the file size is limited.

Case Evaluation &Jury:

* Jury will be consisted of well-known worldwide dental professionals.

*The top 20 cases/10 Cases/Finalists will be determined by the online votes (Ratio:30%) &the presentation of these cases to the Jury (Ratio:70%).

*Award for Best Cinematography will be determined by the jury.

*Award for Best Popularity will be determined by the final score the cases win on the online platforms. And the cases received the Award for Best Popularity could go straight to the final.

*Ranking of the finalist will be determined by the the preliminary (ratio:40%) &final (ratio:60%).

* Award for BSM global partners will be determined by BSM.
